

Page

```
classDiagram
    class Page
    class WinUIGallery_ControlPages_SliderPage["WinUIGallery.ControlPages.SliderPage"]
    WinUIGallery_ControlPages_SliderPage --|> Page
```

The diagram illustrates an inheritance relationship. A light gray box labeled 'Page' is at the top. A blue arrow points upwards from a dark gray box labeled 'WinUIGallery.ControlPages.SliderPage' to the 'Page' box, indicating that 'SliderPage' inherits from 'Page'.

WinUIGallery.ControlPages.
