```

A flowchart illustrating the sequence of Lua functions. It consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'lua_setlocal'. A blue arrow points from this box to the second box in the middle, which is white and contains 'luaG_findlocal'. Another blue arrow points from the second box to the third box on the right, which is also white and contains 'luaF_getlocalname'. All boxes have a thin black border.
