

luaH_getn

```
graph LR; A[luaH_getn] --> B[arraykeyisempty]
```

A diagram showing a call from the function `luaH_getn` to the function `arraykeyisempty`. The `luaH_getn` box is gray, and the `arraykeyisempty` box is white. A blue arrow points from the right side of the `luaH_getn` box to the left side of the `arraykeyisempty` box.

arraykeyisempty
