

Page

```
classDiagram
    class Page
    class SamplePage2["WinUIGallery.SamplePages.SamplePage2"]
    SamplePage2 --|> Page
```

The diagram illustrates an inheritance relationship. A light gray box labeled 'Page' is at the top. A blue arrow points upwards from a dark gray box labeled 'WinUIGallery.SamplePages.SamplePage2' to the 'Page' box, indicating that 'SamplePage2' inherits from 'Page'.

WinUIGallery.SamplePages.
