

Window

```
graph BT; A[WinUIGallery.Samples.SamplePages.SampleWindow1] --> B[Window];
```

A UML class diagram illustrating inheritance. A gray box at the bottom represents the class 'WinUIGallery.Samples.SamplePages.SampleWindow1'. A blue arrow points from this box to a white box at the top labeled 'Window', indicating that 'SampleWindow1' inherits from 'Window'.

WinUIGallery.Samples.Sample
Pages.SampleWindow1
